The purpose of this Letter of Agreement is to support and collaborate with LifeSteps Coalition efforts to eliminate substance abuse in Williamson County.

LifeSteps will:

- Promote community awareness of the consequences of substance use and abuse;
- Encourage community mobilization to implement evidence-based environmental strategies to change polices and social norms related to drugs, especially alcohol, marijuana and prescription drugs.
- Promote multiple prevention strategies and encourage diverse community-wide representation

Coalition member will:

- Share expertise/knowledge to help prevent underage drinking and substance abuse.
- Attend at least one of the following: meetings, trainings, workshops and community-wide events.
- Engage with the Coalition by emails and/or social media.
- Sustain the Coalition's vitality, involvement, and energy in the community.

Terms of this agreement effective until August 31, 2017.
